NOTE WORTHY

- Monday—President’s Day—No Academy Classes
- We have 20 people signed up for the trip to the Ark and Creation Museum and 25 people signed up for Sight and Sound. You should receive an email with specifics for the trip and details about when payment is due for the tickets. If you do not, see Pastor Wright.
- Last week we had an insert in the bulletin with proposed changes in our church constitution. The first change deals with the translation & preservation of Scripture and the second addresses societal confusion on gender and relationships between men and women. We expect to have a business meeting & election of officers tentatively scheduled for March 3. Copies of the proposed changes are available at the information desk.
- **TODAY** is the last day to bring in supplies for Juny Bong Wright’s medical mission trip to Brazil.
- Letters to our Missionaries - Don’t forget to bring your letters or cards of encouragement for Aaron & Emily Thompson (Japan) in by Thursday, February 28. Bill Green will be mailing them out for us.
- Some important dates to remember that are geared for our young people.

REMEMBER

What are those categories in the bulletin? Each week you see a financial report noting how much was given to each category. Here is how we define them:

- **General Fund** - The general operating expenses for the ministry as a whole.
- **Faith-Promise Missions** - Money given to this fund is a result of giving even above what you can “afford” and believing by faith that God will take care of you. This is to help us extend our evangelistic efforts around the world.
- **Activity Building** - The activity building is still a work in progress. The second floor needs to be finished and we will have a balloon payment at the end of our term. People have continued to give, and it has made a huge difference.
- **Endowment Fund** - Tuition does not allow us to adequately pay our teaching staff. The long-term goal is to build the fund from which we perpetually draw interest to supplement salaries. Right now, we get about \$1500 per year.
- **Academy Builders Club** - This is an older fund for people that would like to contribute to the current-year expenses in the Academy.
