REMEMBER

Keystone Christian Academy is a ministry of Keystone Baptist Church and is directed toward helping families raise their children with a biblical worldview. As we have often noted, it is important that our church family realize that while the Academy is a time consuming and costly ministry, it is a ministry of our whole church family. Just like one might not be directly involved in the Senior Saints or the teen program, I trust you can see the value of reaching families in a culture that is struggling for its footing. Secular education can provide knowledge, but knowledge that is separated from a fear of God (Prov. 1:9) is woefully inadequate. Even if you are not directly involved in the Academy, I trust you will pray for both our graduates and our staff.
