NOTE WORTHY - 12/28/25

- Included in your bulletin today is a Bible Reading schedule. The message today will focus on developing a habit of reading Scripture. The schedule encourages readers to read seven chapters a week on five different days. If you can develop that habit, you will read through the Bible in three years.
- G.R.O.W. Group 2 meets in the conference room after the service today.
- The mid-week service on December 31 is at 6:00 PM. It is our regular mid-week service, but without the children's and teen programs. Everyone will meet in the sanctuary and we will resume regular programs the following week.
- Next Sunday, we have communion in the morning service, but no fellowship afterward. There will be a brief meeting for Deacons, Trustees, and Wives after the service.
- January 7, 2026, is Parent Night in Royalty Club. The teen parents are invited to attend Royalty Club and get updated information on the teen schedule.
- During the Academy Christmas break, we made several security upgrades. New cameras have been installed. Central monitors and new door locks will follow. In addition, the first floor windows have been retrofitted with a film that prevents them from shattering. Joe Crane has spearheaded and overseen the ongoing project.
- Don't forget, if you see something that needs to be done (cleaned, updated, fixed, etc.) and wonder who should do it. Maybe it is you! Let a staff member know if you would like to tackle a project. We would love to get you involved.
- Academy staff - we have a teacher in-service from 9-12 on Friday. The in-service will include some first-aid training and an introduction to the Active Defender app. The app is an alert and communication system designed for emergencies.

Facts & FIGURES

I appreciate your kindness in the offering toward the renovations in the sanctuary. The total offering so far is \$35,954. If you did not get to contribute, you can mark it on your offering envelope, and we will add it to the total. The chairs have been ordered, but we do not yet have a delivery date. When we have an estimate on the delivery, we will need some help removing the pews. Lord willing, we can sell or donate the pews to another ministry. If you have any suggestions, let us know. We have also measured for carpet and talked through some technology upgrades. The intent is to replace the projector with a large TV screen. If you have looked at the back wall, the TV there is smaller, but easier to read than the larger projector screen. Everything is currently working, so we are not under pressure to complete the project by a specific date. We may need to have one or two services in the activity building while we are making changes. You will be updated as soon as we have more information.
