Facts & FIGURES

Next Sunday night at 5:00 pm, we have a **G.R.O.W.** pizza dinner and meeting. The purpose is to review our progress and evaluate how to make the program better. **G.R.O.W.** stands for God Rewards Our Work and is our ministry night. It takes the place of our Sunday night service, and we ask each person to commit to one hour and fifteen minutes per month. The ultimate goal is that every person in our church will have a specific ministry that fits their talents. **G.R.O.W.** is not limited to going door to door or visiting in homes. The intent is to have activities, outreaches, Bible studies, dinner, etc. that will benefit our church family and will reach others. There are things we can do in **G.R.O.W.** that I (Pastor Wright) will not think of. You will come up with and implement them. We are looking for creative, God-honoring ways to reach others. In the meeting on Sunday, we will evaluate the effectiveness and possible needs for changes to **G.R.O.W.** It is not a program that is unilateral. In other words, it cannot be operated by one person with that individual making all of the decisions. Of course, we will provide leadership, but it must have input from the participants. You are the ones that will make it work.
