Note Worthy - 9/6/26

- Today, after the morning service, there was to be a brief Deacons, Trustees and Wives meeting. It will be next Sunday (9/13). Don't forget to fill out your accountability forms.
- This past week during our mid-week Bible study, the children's and teen programs resumed. We had strong participation and look forward to seeing it increased. We encourage the parents and adults to attend the Bible study during the kids' clubs.
- Thank you to the people who cooked, set up, and brought food for our 5th Sunday Fellowship last Sunday. You made it a fun day. Our next event is Anniversary Sunday on September 27. Since we didn't have our church picnic over the summer, we would like to have a few activities during the Sunday dinner. If you have an idea and want to do something (face painting, balloon animals, game, etc.), let one of the pastors know.
- Teen Activity - Next Sunday, (9/13) after the morning service - Axe Throwing. See Pastor Moore for details.
- There are two sessions left in our 9:30 combined Growth Classes. Next week's session is on whether a believer should keep the Sabbath. The final topic is whether morality is relative.
- The next **G.R.O.W.** @ 5:30 PM on September 13 is for everyone, and we will take some time to plan for our Fall and Winter schedule. Everyone is encouraged to attend and help us plan. The goal is to make Sunday night a ministry night - everyone involved at least once a month.
- Fall & Winter choir is ready to begin. If you are interested in participating in our choir, we are looking for new people to join. This year, the choir will practice on Wednesdays at 6:29 PM. Sam Stewart will direct, and practices will begin on September 16.
- Academy activities:

 - * Tue. 8 4:30 PM Volleyball v. Lighthouse

Facts & FIGURES

People often ask me what gives me hope for the future of America. My answer may surprise them. My confidence has never rested in an election, a political party, or the passage of another law. While good leaders and wise laws certainly matter, they have never been the true source of our nation's strength. The hope of America has always been found in God's people faithfully living for Him. Every time a Christian opens God's Word, bows in prayer, faithfully serves in the local church, raises children in the nurture and admonition of the Lord, shares the Gospel, or simply chooses obedience over compromise, the spiritual foundation of our nation is strengthened. Those acts may seem small in the eyes of the world, but Heaven measures them differently.

Throughout history, God has often accomplished His greatest work through ordinary believers who simply remained faithful. Revival has never begun in the halls of government—it has begun in hearts that were fully surrendered to God. So do not become discouraged by the headlines. Do not allow fear to replace faith. **Keep** serving the Lord where He has placed you. **Live** with conviction. **Love** people. **Share** the Gospel. **Support** your local church. **Raise** the next generation to know and love Christ. America does not need more discouraged Christians. America needs more faithful Christians. **Stand** for Christ. **Stay** true to His Word. **Finish** your course with joy. Faithfulness has always changed lives—and by God's grace, it can still change a nation.
