Note Worthy - 11/8/26

- Today, after the morning service, we are serving lunch for our veterans. We are grateful for your service and appreciate you. The meal is for you and your family and will be in the Fellowship Hall.
- On Saturday, the Families Growth Class (11/14) will meet for dinner and a night out from 4-7 PM. This is Pastor Wright's class, and it meets in the Conference Room. We will have child care, and we will email the details to class participants. Let us know if you are not on the text or email list.
- Next Sunday, the Patch Clubs will have lunch and then go to the Rose Hill Facility to sing. They will meet for lunch, then leave for the facility at 1:00 PM.
- We had well over 100 people here for the Accord Kids' Banquet on Monday. I appreciate the great questions from those who attended, and I know many watched online. Dan Zacharias and Randy Melchert (Accord Kids Director) were our guests and expressed their appreciation for our church and Academy family.
- If you were not able to get your photo for the online directory, we still want one! Let Abby Hernley know, and she will set up a time.
- Thank you for your ministry through the **G.R.O.W.** program. It is still in its infancy, so we will adjust a little each season. As we have come to another time change, we are adjusting the times we will meet. Pastor Moore is working out the details and will get them to you.
- We will have a mid-week service on November 25. PeeWee Patch and Patch Club will meet at 7:00, but there will not be Royalty Club that evening.

One difficulty we regularly address is keeping the foyer and hallways clear during services. We have people assigned to "hall duty." Specific people on the security team are also assigned to different parts of the building. If you are not on hall duty or assigned to a specific ministry during the service, you need to be in the service or classes. People are not to "hang out" in the foyer, offices, or other parts of the building. Not being in the services undermines one of the church's primary aspects - teaching and learning. This applies to you! Each person who excuses themselves from the service or classroom influences others to do the same. We must lead by example and help people move toward the scheduled activities. Also, please do your best not to leave during the service. If you must leave the service, we ask that when you return, wait for a break (not during prepared music) and either return to your seat or take a seat in the back. As a church family, we must work hard to have as many of our church family members as possible in the service and to reduce distractions. Accomplishing this will require a unified effort.
